

## A price comparison between containers reel transportation vs regular reel transportation

### Shipment of one reel between Uk and Nigeria

Normal shipping aboard  
a freighter

Crane and base handling	\$ 15 000
Seafastening of reel	\$ 10 000
Sea freight one way	\$ 150 000
Crane and base handling in Nigeria	\$ 25 000

Total cost estimate                      \$ 200 000

M-Reel shipment in containers

Container stuffing	\$ 1 400
3 Containers shipping	\$ 24 000
Assembly of M-reel	\$ 21 000
Support costs in Nigeria Crane/Compressor/el.	\$ 10 000

\$ 56 400

In addition to the cost difference there is also a difference in the lead time securing a freighter vessel on one hand and empty containers on the other hand.
